GROUND FLOOR

Entering the hallway, a downstairs cloakroom with WC and large double cupboard provides storage. The left wing of the home opens into a welcoming open-plan kitchen, dining and living space, featuring a vaulted ceiling and expansive glazing that floods the room with natural light while framing far-reaching countryside views and providing direct access to the garden. The contemporary kitchen will be fitted with high-quality appliances, a central island and additional breakfast bar, offering generous worktop and entertaining space. An internal door leads to the utility room, which has an external door to the garden and access to the double garage.

Three bedrooms are located on the ground floor, each benefitting from its own en-suite shower room. Bedrooms two and four enjoy double doors opening onto the garden and take full advantage of the countryside outlook.
