ABOUT THE PROPERTY

An excellent opportunity to acquire a well-presented two double bedroom semi-detached bungalow, thoughtfully extended at the rear to create a spacious and contemporary dining room. The property offers modern and comfortable living, with light interiors that have been designed to maximise both space and natural light. Further benefits include driveway parking for multiple vehicles, a single garage and low-maintenance gardens.

ACCOMMODATION

The property is accessed via a side porch leading into a welcoming hallway with useful cupboard storage and access to the loft. The heart of the home is the well-appointed kitchen and dining room, creating a spacious and light-filled area ideal for modern living. The kitchen is fitted with contemporary grey cabinetry complemented by wood-effect worktops, stone floor tiling and includes a built-in oven with four-ring electric hob and extractor above, alongside a stainless-steel sink with drainer and space for an American-style fridge/freezer and slimline dishwasher. From the kitchen, a utility area provides space for a washing machine, further cabinetry and a useful breakfast bar. Beyond this, the dining room provides a bright and airy space for dining and entertaining, with large rear windows and French doors opening out to the garden allowing natural light to fill the space. From here, double doors connect through to the sitting room, creating a sociable and flexible flow between the living spaces.

The property offers two well-proportioned double bedrooms, both positioned to the front of the home. The principal bedroom benefits from a generous walk-in wardrobe with double doors providing excellent storage. Bedroom two is also a good-sized double bedroom. The family bathroom is finished with large stone floor and wall tiles and comprises a bath with rainfall shower and handheld attachment over, WC, basin and heated towel rail. A high-level obscured window provides natural light while maintaining privacy.

OUTSIDE

The front of the property offers ample driveway parking for multiple vehicles along with access to the single garage. The front garden has been designed for low-maintenance enjoyment with areas of artificial lawn, gravel and established shrubbery. A side porch provides access to the front door of the property.

The rear garden is attractively arranged with a small patio directly outside the French doors, leading onto a lawned area. At the far end of the garden, a larger patio provides an ideal space for outdoor seating and entertaining. The garden also features timber-edged planting beds, a palm tree and covered workshop/social space with wooden worktops and seating. Further benefits include an outside tap, side gate access to the driveway and garden access to the garage, which is fitted with lighting, electrics, useful worktop space and a side obscured window.

LOCATION

Wincanton is a small Somerset town lying just north of the A303 and offers a range of day-to-day facilities including doctors' surgery, post office, library, schools, independent shops and two supermarkets. It is approximately six miles from the main-line railway stations at Gillingham and Templecombe with services to London, Waterloo and Exeter. A few miles to the north are Castle Cary and Bruton, which are on the London Paddington line and the much-improved A303, which links with the M3, is literally minutes away and provides east-west road travel. Wincanton is a typical Somerset town close to many delightful villages and places of interest such as the Abbey town of Sherborne, the Cathedral City of Salisbury and the ancient hilltop town of Shaftesbury. The larger town of Yeovil is approximately 15 miles away.
