ABOUT THE PROPERTY

Constructed in 2020 and tucked away within an attractive courtyard-style development, this impressive, detached bungalow offers beautifully presented single-storey living with high ceilings throughout, energy-efficient underfloor heating served by an air source heat pump, generous parking and a double garage. Occupying a private position in the sought-after village of Sparkford, the property combines contemporary comfort with spacious accommodation, beautifully maintained gardens and versatile outbuildings.

ACCOMMODATION

A welcoming entrance hall provides access to all accommodation and benefits from two front-facing windows that flood the space with natural light. Wood-effect vinyl flooring is fitted throughout the property, while practical storage is provided by both an airing cupboard and a separate double storage cupboard. The principal living accommodation occupies its own wing of the property. The kitchen/dining room is a particularly impressive space, enhanced by vaulted ceilings and two Velux windows. Grey gloss cabinetry is complemented by granite-effect worktops and a comprehensive range of integrated appliances including a dishwasher, washing machine, fridge/freezer, electric hob with extractor, and an eye-level oven with grill and microwave above. A rear facing window overlooks the garden, with a 1 ½ bowl sink and drainer positioned beneath while ample space is provided for a dining table. Adjoining the kitchen, the utility room offers additional worktop space, a Belfast sink, appliance space and direct access to a rear porch and patio. The sitting room is a spacious dual-aspect reception room with a window overlooking the front and French doors opening directly onto a private patio area, creating an excellent connection between the indoor and outdoor spaces.

The bedroom accommodation comprises three well-proportioned double bedrooms, one with an ensuite, and a family bathroom. The principal bedroom is a generous dual-aspect double room enjoying windows to both the front and rear. Bedroom two is another spacious double room with French doors opening out to the garden, and an en-suite shower room fitted with a large shower, WC, basin and heated towel rail. Bedroom three is a further double bedroom overlooking the rear garden. Completing the accommodation is a well-appointed family bathroom comprising bath, separate shower, WC, basin and heated towel rail.

OUTSIDE

The property enjoys an attractive approach with a gravelled frontage bordered by low-level hedging, a paved pathway and a storm porch which covers the front door. A lay-by parking area sits to the front, with an archway leading to a double garage with power, lighting, one electric door and one up-and-over door, together with parking for four vehicles. A side gate provides access to the south-west facing gardens, which wrap around the property and feature lawn, gravelled areas, vegetable beds and established planting. A pergola-covered patio outside the utility room provides an ideal space for outdoor dining, while a second patio is accessed from the sitting room. Two substantial outbuildings with power and lighting offer excellent versatility as a home office, studio, workshop or summer house. Mature trees beyond the boundary enhance both privacy and tranquillity, creating a delightful backdrop of greenery and birdsong.
