The sitting room is a particularly impressive reception space, enjoying a triple aspect which fills the room with natural light. An impressive inglenook fireplace with a large gas-fired stove forms an attractive focal point, while French doors open directly onto the garden. Glazed double doors connect seamlessly to the dining room, creating an excellent flow for both family life and entertaining. The dining room is a well-proportioned space with a rear-facing bay window overlooking the garden and ample room for a large dining suite, making it ideal for formal occasions and gatherings. At the heart of the home lies the spacious country-style kitchen/breakfast room. Fitted with cream cabinetry and granite worktops, it centres around a substantial island providing additional storage. Integrated features include a Rangemaster cooker with five-ring gas hob and double oven, Miele extractor, built-in dishwasher, tall pantry cupboard and a double Franke sink with waste disposal unit positioned beneath a window overlooking the rear garden. A charming breakfast area with built-in booth seating provides an informal dining area, while a stable-style door opens directly out to the garden. Leading from the kitchen is a useful office, ideal for home working, together with a utility room fitted with additional cabinetry, appliance space and a sink. The utility room also provides internal access to the double garage, which benefits from electric roller doors and useful storage space.

FIRST FLOOR

The first floor offers six bedrooms and three bathrooms, providing flexible accommodation for families and guests alike. The principal bedroom forms an impressive suite, enjoying views over the rear garden and served by an en-suite shower room fitted with walk-in rainfall shower, WC and basin. Bedroom two is another generous double, enjoying a triple-aspect outlook with attractive views across the village and towards the church. Bedrooms three, four and five are all comfortable doubles, while bedroom six offers flexibility as a single bedroom, nursery or additional study. Two family bathrooms serve the first floor, both well-appointed and fitted with modern suites, ensuring the property is well-equipped for larger families.

OUTSIDE

The property is approached from Compton Road via double gates opening onto a substantial driveway providing parking for multiple vehicles and access to the attached double garage. The elevated position enhances both privacy and outlook, while extensive lawned areas, mature trees and established planting create an attractive approach. Steps rise to the front entrance, and gated access on both sides of the property leads through to the rear garden. The wrap-around gardens are a notable feature of the home, offering a wonderful balance of open lawn, established planting and private seating areas.
