The principal bedroom suite is conveniently positioned on the ground floor, separate from the three bedrooms upstairs, while wrap-around gardens, driveway parking for several vehicles and a partially converted garage add further appeal.

GROUND FLOOR

The property is entered via a bright entrance hall, with stairs rising to the first floor and a useful understairs cupboard. Set off the hall is a convenient shower room fitted with WC and vanity basin. The spacious sitting room enjoys a dual-aspect, with a front-facing window and large sliding doors opening onto the rear garden. An electric fireplace with stone surround creates an attractive focal point, while an archway leads into the adjoining sunroom. With windows to the front and side, together with a glazed door to the garden, the sunroom is an ideal space for relaxing or hobbies. The kitchen/dining room is another bright dual-aspect space, with the dining area positioned to the front and the kitchen overlooking the rear garden. The kitchen is fitted with shaker-style cabinetry, wood-effect worktops and a freestanding island, alongside an oven with four-ring electric hob, under-counter fridge, 1½ bowl sink with drainer, and space for a dishwasher. The adjoining utility room offers further cabinetry, a sink, appliance space and a pantry cupboard, together with a rear door providing garden access. The utility room leads through to the former garage, which has been partially converted to create a useful dressing room for the principal bedroom suite, while the remaining section provides additional storage and retains access to the front of the property via a side-hinged garage door.

The ground floor is completed by a spacious principal bedroom suite, featuring a front-facing window and a walk-in wardrobe. A private WC with twin basins, vanity unit, LED-lit mirror and heated towel rail completes the bedroom suite. Positioned separately from the first-floor bedrooms, this flexible arrangement could work particularly well for multi-generational living.

FIRST FLOOR

Upstairs, the landing is naturally lit by a Velux window above the stairs and benefits from two linen cupboards. Bedroom two is a double bedroom with built-in wardrobes along one wall, a side-facing window and access to eaves storage. Bedroom three is another double bedroom with a side facing window and a built-in wardrobe, while bedroom four is a single bedroom with a Velux window. A separate shower room completes the first-floor accommodation, comprising a shower, WC, vanity basin and heated towel rail, with a Velux window providing natural light.

OUTSIDE

Outside, the property is approached via a driveway providing parking for several vehicles, while the south-facing frontage is bordered by high hedging, offering a great degree of privacy. The front garden is complemented by established planting and a lawned area, while a pathway leads to the front door beneath a covered porch. The gardens wrap around the property, with a gate and fencing separating the front and rear. To the rear, a patio extends across the back of the house, with the larger paved area outside the sitting room's sliding doors providing an ideal spot for outdoor seating and entertaining. A retractable sunshade offers shelter when required, while areas of lawn, gravel and established planting continue throughout the garden, alongside a summer house. The property also benefits from a useful range of outbuildings, including a wooden workshop with power, lighting and worktop space, as well as a further shed providing additional storage. Mature trees and established shrubs surround the garden, creating a leafy setting with an abundance of wildlife and birdsong. Not directly overlooked and enjoying plenty of sunshine throughout the day, the gardens provide a peaceful and pleasant space to relax and spend time outdoors.
