The property enjoys a pleasant position, with open views across adjoining fields and the River Stour to the rear, while a patio terrace provides a low-maintenance outdoor space from which to enjoy the outlook. Conveniently positioned within a short walk of Gillingham railway station, the property is well placed for commuters while retaining a peaceful setting. Further benefits include a single garage, driveway parking for two vehicles, an EV charger and a newly installed combi-boiler with the remainder of a ten year warranty.

GROUND FLOOR

The front door opens into an entrance hall with inset coir matting, leading through to the ground floor accommodation. There is a useful cloakroom fitted with WC and basin, together with internal access to the garage. The garage incorporates a practical utility area to the rear, with worktop and space for appliances. The fourth bedroom is currently arranged as a sitting room and offers excellent flexibility depending on requirements. This generous double bedroom features wood-effect laminate flooring, a built-in double wardrobe and an airing cupboard. A rear-facing window and glazed patio doors overlook the adjoining fields and River Stour, with the doors opening onto a private patio terrace.

The terrace provides an attractive and low-maintenance outdoor space, with ample room for a table and chairs. The area is enclosed by attractive iron fencing with a gate providing access to the communal areas beyond.

FIRST FLOOR

The first-floor landing leads to the principal living accommodation. The spacious L-shaped living room benefits from wood-effect laminate flooring, a rear-facing window and glazed double doors opening to the Juliet balcony, allowing plenty of natural light into the room. The kitchen/dining room is a generous and sociable space, fitted with Shaker style cabinetry, a 1 ½ bowl sink with drainer and an oven with four-ring gas hob and extractor above. There is space for a dishwasher and fridge/freezer, with the existing fridge/freezer potentially available by separate negotiation, while two front-facing windows provide plenty of natural light. The remaining space allows for a good-sized dining table.

SECOND FLOOR

The second floor provides three further bedrooms and the family bathroom. The principal bedroom is a generous double room with two rear-facing windows and benefits from an ensuite shower room comprising shower, WC and basin. Bedroom two is a further double room positioned to the front of the home and benefits from a built-in wardrobe, while bedroom three is a well-proportioned single room, also enjoying a front-facing aspect. The family bathroom comprises a bath with shower over, WC and basin.

OUTSIDE

Approaching the property, driveway parking is available directly in front of the garage, together with an additional gravelled area providing parking for two vehicles overall, with an EV charging point conveniently installed. To the rear, the private patio terrace provides a low-maintenance outdoor seating and dining area, with communal lawns beyond. This arrangement offers the enjoyment of attractive green space, making it an ideal choice for those seeking outdoor space without the upkeep of a private garden.
