GROUND FLOOR

A covered entrance shelters the front door, which opens into a welcoming entryway with inset coir matting underfoot. The entryway provides access to a cloakroom fitted with WC, basin and stainless-steel heated towel rail, while stairs rise to the first floor.

FIRST FLOOR

The first-floor landing features a fitted storage unit incorporating shelving, mirror and accent lighting, adding both style and practicality. A door opens into the open-plan kitchen, dining and living area which forms the heart of the home, creating a bright and sociable space. The dining area provides space for a table and chairs, while the stylish kitchen occupies the front of the room and is separated from the living space by a peninsula. The kitchen is fitted with contemporary matte black wall and base cabinetry, complemented by rose-gold handles, a white marble-effect worktop and matching splashback behind the hob. A ceramic 1½ bowl sink with drainer sits beneath the front-facing window, while integrated appliances include a fridge-freezer, dishwasher, Neff single oven and four-ring hob with extractor. Downlights are complemented by three pendant lights above the peninsula, together with under-counter and under-worktop lighting. To the rear, the living area enjoys views over the garden with bi-fold doors opening onto the decking, creating a seamless connection between the indoor and outdoor space.

SECOND FLOOR

The second floor provides two double bedrooms and the bathroom. The principal bedroom is a spacious double room positioned to the front of the property, with fitted touch-to-open wardrobes along one wall. Bedroom two is a rear-facing double, enjoying an attractive outlook over the surrounding landscape. A built-in touch-to-open wardrobe and desk provide excellent storage and workspace, with integrated accent lighting adding a stylish finish. The bathroom has been finished to a high specification, with full-height tiling, a large walk-in rainfall shower with hand attachment, WC, and a wall hung vanity basin with two drawers and low-level lighting. Further features include an anthracite grey heated towel rail and illuminated mirror with shaver point.

OUTSIDE

To the front, the property is approached over a red brick block-paved driveway providing parking for one vehicle, with an attractive planted bed alongside. Outside lighting and a tap are also provided, while the covered porch gives access to both the house and garage with utility at the rear. The attached garage benefits from an electric up-and-over door, heating, lighting and electric and provides space for one vehicle, together with a useful utility area to the rear. The utility area is fitted with taupe wall and base units, wood effect worktops and a stainless-steel sink with swan-neck tap. There is space and plumbing for both a washing machine tumble dryer, complemented by a marble-effect splashback.

The enclosed rear garden is a particularly attractive feature of the property. The triple bi-fold doors open directly onto a composite decked terrace, which extends around to one side of the garden and provides an excellent area for outdoor seating and dining. A retractable sunshade provides cover, while the boundary of the garden is enclosed by a timber fence with a gate to the rear. The garden enjoys a great sense of privacy, with a leafy backdrop creating a peaceful setting in which to relax and entertain.
